FOR THE NORTHERN DISTRICT OF ILLINOIS
EASTERN DIVISION**

IN RE NORTSHORE UNIVERSITY	)	No. 07-CV-4446
HEALTHSYSTEM ANTITRUST	)	
LITIGATION	)	Judge Edmond E. Chang

**DECLARATION OF ERIC J. MILLER ON BEHALF OF A.B. DATA, LTD.
IN SUPPORT OF PLAINTIFFS’ MOTION FOR AN ORDER
AUTHORIZING DISTRIBUTION**

I, Eric J. Miller, declare as follows:

1. I am the Senior Vice President of A.B. Data, Ltd.’s Class Action Administration Company (“A.B. Data”) with its principal offices in Milwaukee, Wisconsin. My business address is 5080 PGA Boulevard, Suite 209, Palm Beach Gardens, FL 33418, and my telephone number is 561-336-1801. I have personal knowledge of the facts set forth herein and, if called as a witness, could and would testify competently thereto.

2. Pursuant to the Court’s *Order Preliminarily Approving Settlement and Providing for Notice of Settlement* dated January 24, 2024 (ECF No. 1240) (the “Preliminary Approval Order”), the Court authorized A.B. Data to act as the Notice and Claims Administrator for the Settlement in this case. As detailed in the *Supplemental Declaration of Eric J. Miller on Behalf of A.B. Data, Ltd. Regarding Implementation of the Notice Plan* (ECF No. 1249) (“Supplemental Declaration”), A.B. Data completed the Court-approved Notice Plan to inform members of the Class about the Settlement.

3. A.B. Data’s other duties include, among other things, establishing and maintaining the case-specific toll-free telephone number and Settlement website, receiving and processing

Claim Forms and supporting documentation, preparing and sending deficiency/eligibility notifications, determining the amount of each claim payment, and providing payments to each authorized claimant. As of June 17, 2026, A.B. Data has completed processing all claims it received.

4. The Court granted final approval of the Settlement with NorthShore University HealthSystem (“NorthShore”) in its *Final Order and Judgment* on May 6, 2024 (ECF No. 1255).

5. This declaration will describe the results of the claim process and A.B. Data’s administrative determinations in accepting and rejecting claims in preparation for a distribution of the Net Settlement Funds to authorized claimants. A.B. Data also presents this declaration in support of Plaintiff’s Motion to Authorize Distribution of the Net Settlement Fund to the Class.

DISSEMINATION OF NOTICE

6. As detailed in the Supplemental Declaration and *Declaration Eric J. Miller on Behalf of A.B. Data, Ltd. Regarding Dissemination of Notice*, filed with the Court February 26, 2024 (ECF. No. 1243-1), A.B. Data mailed the direct notice via USPS First-Class Mail to 42,117 entities in A.B. Data’s Third-Party Payor (“TPP”) Database and 243,072 potential consumer Class Members. In addition, where email addresses were available, A.B. Data sent 1,213 emails to TPPs and their representatives and 103,283 emails to potential consumer Class Members.

7. Beginning on February 14, 2024, A.B. Data coordinated internet banner ads and social media ads to appear on various websites and social media platforms that ran for a period of 30 days. On February 14, 2024, A.B. Data also distributed a news release via PR Newswire and Business Wire.

8. A.B. Data established and continues to maintain the case-specific website, www.evanstonnorthwesternhealthcareantitrustcase.com, which redirects to the updated website,

www.NorthShoreAntitrustLitigation.com, and toll-free telephone helpline (1-800-952-3716) to assist potential Class Members.

PROCEDURES FOLLOWED IN PROCESSING CLAIMS

9. In preparation for receiving and processing claims, A.B. Data: (i) conferred with Lead Counsel to define the guidelines for processing claims; (ii) created a unique database to store claim details, claim images, and supporting documentation (the “Settlement Database”); (iii) trained staff in the specifics of the Settlement so claims would be properly processed; (iv) formulated a system so that telephone and email inquiries would be properly responded to; (v) developed various computer programs and screens for Class Members to enter identifying and payment information; and (vi) developed a “calculation module” that would calculate the payment for each Class Member who filed an eligible, valid and timely claim.

10. Each eligible member of the Class who wished to receive a distribution from the Net Settlement Fund was required to complete and submit to A.B. Data a properly executed Claim Form postmarked (if mailed) or online no later than April 4, 2024. Consumer Class Members who did not receive a prepopulated Claim Form, or who wanted to supplement their prepopulated Claim Form, and Third-Party Payor (“TPP”) Class Members claiming over \$300,000 in total amount paid also were asked to submit supporting data or documents with their Claim Forms.

CONSUMER CLAIMS

11. A.B. Data received and processed 338,022 Consumer claims. Of the Consumer claims received, 18,480 claims were submitted by mail and 319,542 claims were submitted online. Of the Consumer claims received, 296,475 Claim Forms were timely submitted and 41,547 were submitted after the claims bar deadline.

12. Of the Consumer claims received, 26,752 claims were submitted by Consumer claimants who accepted their prepopulated payment amounts, 656 claims were submitted by Consumer claimants who wanted to supplement their prepopulated payment amounts, and 310,614 claims were submitted by Consumer claimants who self-identified, many of which were submitted by known suspicious actors, bots, or computer-driven scripts.

13. A.B. Data reviewed the supporting documents included with all Claim Forms submitted by Consumer Class Members who did not receive a prepopulated Claim Form, Consumer Class Members who wanted to supplement their prepopulated Claim Form. These Claim Forms were reviewed to ensure the total amounts paid directly to NorthShore, for in-patient hospital services, other than those provided at Skokie Hospital, formerly known as Rush North Shore Medical Center, from February 10, 2000 to December 31, 2015, from payers in the United States of America and Puerto Rico.

14. A.B. Data's data-entry staff utilized internal codes ("flags") to identify and classify claims with deficiency or ineligibility conditions. Appropriate flags were assigned to the Claim Forms as they were processed. For example, if a claimant submitted a claim and did not properly sign their Claim Form, that claim would receive a flag that denoted the deficiency. Similar defect flags were used to denote other ineligible conditions, such as duplicate claims. These flags would indicate to A.B. Data that the claimant was not eligible to receive any payment from the Net Settlement Funds with respect to that claim unless the deficiency was cured in its entirety.

15. The "Deficiency Process," which primarily involved mailing letters to claimants and responding to communications from claimants by email and/or telephone, was intended to assist claimants in properly completing their otherwise deficient submissions so that they could be eligible to participate in the Settlement.

16. Of the 338,022 Consumer claims received, A.B. Data initially determined that there were 310,886 deficient Claims, in which the Claim:

- a. was suspected to be submitted by known suspicious actors, bots, or computer-driven scripts;
- b. did not list the total amount paid directly to NorthShore for inpatient hospital services between February 10, 2000, through December 31, 2015;
- c. did not include the necessary supporting documents; and/or
- d. contained supporting documents showing amounts paid for services that were not included, not paid directly to NorthShore, not paid between February 10, 2000, through December 31, 2015, and/or in the United States or Puerto Rico.

17. A.B. Data sent letters or e-mails (when an email address was provided) to the claimants, describing the defect(s) in the Claims and what steps, if any, were necessary to cure the defect(s). These letters (the “Consumer Deficiency Letters”) advised claimants that submission of appropriate information and/or documentary evidence to complete the Claim had to be submitted or the Claim would be recommended for rejection to the extent that the deficiency condition was not cured. Examples of the Deficiency Letters are attached as **Exhibit A**.

18. In addition, A.B. Data sent letters or e-mails (when an email address was provided) to claimants whose Claims were deemed to be ineligible because the Claim was duplicative of a previously-filed Claim (for example, where a Claim was submitted online to A.B. Data and the original hard-copy was sent by mail and received at a later date) or withdrawn by the filer. Examples of these letters (the “Consumer Ineligibility Letters”) are attached as **Exhibit B**.

19. Claimants' responses to Deficiency Letters and Ineligibility Letters were scanned into the Settlement Database and associated with the corresponding Claims. The responses were then carefully reviewed and evaluated by A.B. Data's team of processors. If a Claimant's response corrected the defect(s) in a Claim, A.B. Data manually updated the Settlement Database to reflect the changes in the status of the Claim.

TPP CLAIMS

20. A.B. Data received and processed 178 TPP claims from TPP claimants and record-keeping entities or agents ("TPAs") filing on behalf of TPPs. Of the TPP claims received, 4 claims were submitted by mail and 174 claims were submitted online. Of the TPP claims received, 172 Claim Forms were timely submitted and 6 were submitted after the claims deadline.

21. TPP Class Members claiming over \$300,000 in total amount paid were asked to submit supporting data or documents with their Claim Forms. A.B. Data also reviewed supporting documents for TPP claims under \$300,000 that provided payment information although they were not required to provide such documentation.

22. In the same manner as the Consumer Claims, A.B. Data's data-entry staff utilized internal codes ("flags") to identify and classify TPP Claims with deficiency or ineligibility conditions. Appropriate flags were assigned to the Claim Forms as they were processed.

23. Of the 178 TPP claims received, A.B. Data initially determined that there were 43 deficient Claims, in which the Claim:

- a. did not list the total amount paid directly to NorthShore for inpatient hospital services between February 10, 2000, through December 31, 2015; and/or

- b. was for \$300,000 or more in purchases and did not include the necessary supporting documentation.

24. A.B. Data sent letters or e-mails (when an email address was provided) to the claimants, describing the defect(s) in the Claims and what steps, if any, were necessary to cure the defect(s). These letters (the “TPP Deficiency Letters”) advised claimants that submission of appropriate information and/or documentary evidence to complete the Claim had to be submitted or the Claim would be recommended for rejection to the extent that the deficiency condition was not cured. Examples of the Deficiency Letters are attached as **Exhibit C**.

25. In addition, A.B. Data sent letters or e-mails (when an email address was provided) to claimants whose Claims were deemed to be ineligible because the Claim was duplicative of a previously-filed Claim (for example, where a Claim was submitted online to A.B. Data and the original hard-copy was sent by mail and received at a later date) or withdrawn by the filer. Examples of these letters (the “Ineligibility Letters”) are attached as **Exhibit D**.

26. All Claims were subject to review and/or audit. A.B. Data selected Claims for additional audit, in consultation with Lead Counsel, where: a) the claimant was suspected to use an intermediary for payment and therefore did not make direct payments to Northshore; b) appeared to include purchases that were not for inpatient services; and/or c) were subject to arbitration.

27. A.B. Data sent letters by mail or email (if available) to each of these claimants requesting that they provide additional documents to further support their claimed total amount paid (“Audit Letters”). The letter advised claimants if they did not provide these documents, their claims would be rejected. A sample of this letter is attached as **Exhibit E**. If the claimant was able to verify the total amount paid, A.B. Data updated the Settlement Database accordingly. If the

claimant did not verify the total amount paid, the claim was marked as deficient. A.B. Data worked closely with Lead Counsel in its review of the TPP claims and supporting documentation.

RECOMMENDATIONS FOR APPROVAL AND REJECTION.

28. A.B. Data received 178 claims from TPP claimants and 338,022 claims from Consumer claimants.

Valid Claims

29. A.B. Data validated 19 TPP claims totaling \$1,475,727,343.45 in amounts paid to NorthShore and 18,676 Consumer claims totaling \$20,984,836.96 in amounts paid to NorthShore.

Exhibit F lists the Eligible TPP Claims and shows each claimant's Qualifying Claim. **Exhibit G** lists the Eligible Consumer Claims and shows each claimant's Qualifying Claim. Claimant names were redacted to protect their privacy.

30. Included in the listings of eligible claims above are 130 Consumer claims that were received or postmarked after April 4, 2024, the Court-approved claim submission deadline. These late claims did not delay the claim review process, and A.B. Data recommends that the late and validated claims be approved by the Court.

Rejected Claims

31. After the responses to Deficiency and Ineligibility Letters were processed, a total of 159 TPP claims and 319,346 Consumer claims remain recommended for rejection by the Court ("Rejected Claims") for the following reasons:

TPP:

- a. 53 Claims filed by individuals or entities that are not Class Members;

- b. 3 Claims did not list the total amount paid directly to NorthShore for inpatient hospital services between February 10, 2000, through December 31, 2015;
- c. 8 Duplicate Claims;
- d. 2 Claims Withdrawn; and
- e. 93 Claims with an insufficient response to the audit process.

Consumer:

- f. 244,859 Claims suspected to be submitted by known suspicious actors, bots, or computer-driven scripts;
- g. 6,975 Claims that did not have eligible payments made directly to NorthShore for inpatient hospital services between February 10, 2000, through December 31, 2015;
- h. 1,622 Duplicate Claims;
- i. 6 Claims Withdrawn;
- j. 65,768 Claims that did not include the necessary supporting documents; and/or
- k. 116 Claims that contained supporting documents showing amounts paid for services that were not included, not paid directly to NorthShore, not paid between February 10, 2000, through December 31, 2015, and/or in the United States or Puerto Rico.

DISTRIBUTION PLAN

32. If the Court concurs with A.B. Data's determinations concerning provisionally accepted and rejected claims, including the late claims, A.B. Data recommends the following distribution plan:

- a. establishment of a reserve of 2% of the Net Settlement Fund to allow for any necessary adjustments in payments upon sufficient proof and/or to pay additional taxes, costs, and administration fees. Any funds remaining from the reserve after the initial distribution will be included as part of the second distribution to the members of the Class who or which received an initial distribution;
- b. the remaining Net Settlement Fund will be allocated on a *pro rata* basis to Eligible Claimants based on the Plan of Allocation approved by the Court;
- c. A.B. Data will issue payments to claimants with approved claims promptly after Court approval;
- d. Distribution checks will have a stale date of 90 days to encourage Eligible Claimants to promptly cash their distribution checks and to avoid or reduce future expenses related to unpaid distributions. For any checks returned as undeliverable or not cashed, A.B. Data will make reasonable and diligent efforts to have Eligible Claimants cash their checks. At such time that Lead Counsel and A.B. Data have determined that reasonable and diligent efforts have been exhausted, but no earlier than 120 days from the date checks were issued, the payments to

Eligible Claimants that have been not been cashed will revert back to the Settlement Fund;

- e. if there is a balance remaining in the Settlement Fund after reasonable and diligent efforts have Eligible Claimants negotiate their initial payment, and at least 120 days from the date of the initial distribution, and after any necessary adjustments in payments upon sufficient proof and/or to pay additional taxes, costs, and administration fees, A.B. Data will consult with Lead Counsel and conduct a second distribution if feasible and economical. A.B. Data will redistribute the remaining funds, along with any remaining balance of the reserve, on a *pro rata* basis after reserving any additional taxes, costs, and administration fees to the Eligible Claimants who cashed their initial distribution checks and who would receive at least \$10.00 from such redistribution; and
- f. at such time as Lead Counsel, in consultation with A.B. Data, determines that further distribution of the funds remaining in the Settlement Fund is not cost-effective, the remaining funds will be available for donation to one or more 501(c)(3) non-profit organization(s) proposed by Lead Counsel and approved by the Court.

33. Unless otherwise ordered by the Court, one year after final distribution of the Net Settlement Fund, A.B. Data will destroy the paper and electronic copies of the claims and all supporting documents.

FEES AND DISBURSEMENTS

34. Throughout the administration of the Settlement Fund, A.B. Data caused all required federal tax returns relating to the Settlement Fund to be prepared and timely filed. When appropriate, A.B. Data consulted with Lead Counsel and the Escrow Agent regarding the calculation and payment of any taxes due and caused such taxes to be timely paid from the Settlement Fund in accordance with the Settlement Agreement, applicable law, and the Court's orders.

35. Through May 15, 2026, A.B. Data has provided invoices to Lead Counsel for the work it performed to provide notice and claims administration regarding the Settlement. A.B. Data has incurred fees and expenses of \$819,434.92. A.B. Data's estimates fees and expenses, including for the work to complete this distribution, will be \$62,417.50. To date, A.B. Data has received \$309,101.00 for its invoices. Accordingly, there is an outstanding balance of \$572,751.42 payable to A.B. Data from the Settlement Funds, which includes the estimate for completing distribution.

CONCLUSION

36. A.B. Data respectfully requests that the Court enter the Class Distribution Order approving its administrative determinations accepting and rejecting the claims submitted and approving the proposed Distribution Plan.

I declare under penalty of perjury that the foregoing is true and correct.

Executed this 7th day of October 2026 at Palm Beach Gardens, Florida.

REQUEST FOR ADDITIONAL INFORMATION

DATE: August 26, 2025
RE: In re: NorthShore University HealthSystem Antitrust Litigation (TPP)
CLAIM NUMBER: 449681490
RESPONSE DEADLINE: September 16, 2025

Thank you for submitting a claim to the NorthShore University HealthSystem Antitrust Litigation Settlement. In order to process your claim, we need additional information to verify that it only includes services that the Court allowed to be part of the case. As explained below, we need:

- The detailed backup for your claims, so that we can verify that you are only submitting claims for in-patient hospital services (i.e., hospital services rendered during an overnight hospital admission), and *not* professional services (even if incurred during an overnight hospital admission) or other hospital services.

We need for you to submit this information to the Notice and Claims Administrator at the address above or by email to info@NorthShoreAntitrustLitigation.com by **September 16, 2025**. Since you needed this information to submit your claim, we assume you have already collected it.

Why Do We Need This Information?

We need this information to determine whether your claims are within the Court's rulings determining the scope of the case. The Court ruled that the case is limited to "inpatient hospital services [purchased] directly from NorthShore University HealthSystem (formerly known as Evanston Northwestern Healthcare)." ¹ The Court made a number of decisions over the years defining what services were within the scope of the Class definition and limiting the scope of claims included in the case. The most important limitation is that the claims be for in-patient hospital services – that is, services incurred during a *formal overnight hospital admission*. ² To be a formal overnight hospital admission, the hospital must have charged for a hospital room. All out-patient services, including same-day surgery, are excluded from the Class and the settlement, even if they were provided at a hospital. All emergency room charges are excluded from the settlement. All hospital-based services that were not incurred simultaneously with an overnight hospital stay in a patient room (as opposed to the emergency room), and all services provided outside of a hospital are not included. All separately itemized services for health professionals are excluded from the settlement, even if they were incurred during an in-patient admission. Thus, all charges for doctors, anesthesiologists, nurses, physical therapists, technicians, or other health professionals are excluded even if the services in question were provided during an in-patient hospital stay. In addition, all services at Skokie Hospital, even if they were in-patient services, are excluded. ³

² See <https://www.northshoreantitrustlitigation.com/docs/NorthShore%20LF%20Notice.pdf> and <https://www.northshoreantitrustlitigation.com/docs/2018-3-31%20Order.pdf> at 7-10.

³ <https://www.northshoreantitrustlitigation.com/docs/NorthShore%20LF%20Notice.pdf> at ¶6.

The Court further held that to be a “direct” purchaser of in-patient hospital services, the person or entity needed to forward the payment to NorthShore itself, and not use another entity to forward the payment on its behalf. This means that self-insured entities which use a third-party administrator or administrative services only entity such as a managed care organization to forward payments on their behalf are not considered class members and may not make claims.⁴

The Court also granted in part defendant NorthShore’s motions to compel arbitration.⁵ NorthShore contended that a number of MCOs had arbitration clauses in their contracts with NorthShore. The Court compelled many of those MCOs to arbitrate, which meant that they were not Class members and are not entitled to recover in the settlement. The arbitration entities are listed in the Court’s September 4, 2015, and November 17, 2015 orders.⁶

What You Need To Do

Submit Claims Data

We need for you to submit the claims data which you used to submit your claim. Please include the detail of all services for each period of in-patient hospitalization for each subscriber so that we may verify that the claim is for in-patient services within the scope of the case.

If this letter causes you to determine that some or all of your claim was in fact for services not covered by the case, please submit only data for eligible services and please recompute your claim amount.

Other Important Information

Importantly, the claim instructions provided guidelines for claims, and further required you to certify that your claim met those guidelines. If, in auditing your claim, we find that you have included claims for a substantial amount of services that are not within the scope of the settlement, we reserve the right to deem your claim fraudulent, and deny it completely.

Please also note that this is a pro rata settlement. Your claim amount is based on your total allowed purchases, but any settlement payment will be a percentage of that. Once your final claim amount has been computed, it will be paid based on its percentage of the total claims received, and the amount of funds available to pay claims.

If you have any questions about this notice or if you want to confirm the status of your Claim after you submit a response to this notice, please contact us at 1-800-950-3716 or email us at info@NorthShoreAntitrustLitigation.com. Please reference the Claim Number listed above in any communication.

Sincerely yours,

A.B. DATA, LTD.
Notice and Claims Administrator

⁴ Under the Court’s ruling, the organization that forwarded the payment is considered to be the direct purchaser.

RE: In re: NorthShore University HealthSystem
Antitrust Litigation (TPP)
CLAIM NUMBER: {ClaimNumber}
RESPONSE DEADLINE: {ResponseDeadline}

Dear Claimant,

Thank you for submitting a claim to the NorthShore University HealthSystem Antitrust Litigation Settlement. In order to process your claim, we need additional information to verify that it only includes services that the Court allowed to be part of the case. As explained below, we need:

- Evidence (such as cancelled checks) showing that you paid NorthShore directly, and did not use a third party administrator (“TPA”) or administrative services organization (“ASO”) to pay on your behalf; and
- The detailed backup for your claims, so that we can verify that you are only submitting claims for in-patient hospital services (i.e., hospital services rendered during an overnight hospital admission), and *not* professional services (even if incurred during an overnight hospital admission) or other hospital services.

We need for you to submit this information by the Response Deadline above. Since you needed this information to submit your claim, we assume you have already collected it.

Why Do We Need This Information?

We need this information to determine whether your claims are within the Court’s rulings determining the scope of the case. The Court ruled that the case is limited to “inpatient hospital services [purchased] directly from NorthShore University HealthSystem (formerly known as Evanston Northwestern Healthcare).”¹ The Court made a number of decisions over the years defining what services were within the scope of the Class definition and limiting the scope of claims included in the case. The most important limitation is that the claims be for in-patient hospital services – that is, services incurred during a *formal overnight hospital admission*.² To be a formal overnight hospital admission, the hospital must have charged for a hospital room. All out-patient services, including same-day surgery, are excluded from the Class and the settlement,

¹ <https://www.northshoreantitrustlitigation.com/docs/NorthShore%20LF%20Notice.pdf> at ¶15.

² See <https://www.northshoreantitrustlitigation.com/docs/NorthShore%20LF%20Notice.pdf> and <https://www.northshoreantitrustlitigation.com/docs/2018-3-31%20Order.pdf> at 7-10.

even if they were provided at a hospital. All emergency room charges are excluded from the settlement. All hospital-based services that we not incurred simultaneously with an overnight hospital stay in a patient room (as opposed to the emergency room), and all services provided outside of a hospital are not included. All separately itemized services for health professionals are excluded from the settlement, even if they were incurred during an in-patient admission. Thus all charges for doctors, anesthesiologists, nurses, physical therapists, technicians, or other health professionals are excluded even if the services in question were provided during an in-patient hospital stay. In addition, all services at Skokie Hospital, even if they were in-patient services, are excluded.³

The Court further held that to be a “direct” purchaser of in-patient hospital services, the person or entity needed to forward the payment to NorthShore itself, and not use another entity to forward the payment on its behalf. This means that self-insured entities which use a third-party administrator or administrative services only entity such as a managed care organization to forward payments on their behalf are not considered class members and may not make claims.⁴

The Court also granted in part defendant NorthShore’s motions to compel arbitration.⁵ NorthShore contended that a number of MCOs had arbitration clauses in their contracts with NorthShore. The Court compelled many of those MCOs to arbitrate, which meant that they were not Class members and are not entitled to recover in the settlement. The arbitration entities are listed in the Court’s September 4, 2015, and November 17, 2015 orders.⁶

What You Need To Do?

1. Submit Evidence That You Paid Directly

In reviewing your claim, it appears that you are a self-insured entity. Most self-insured entities used a third-party to forward their payments to NorthShore, usually as part of a third-party administrator or administrative services only contract. As a result, your claims would be barred for any periods in which you used such services to forward your payments to NorthShore.

If you did not use a third-party such as a TPA or ASO to forward your payments to NorthShore for all of your claims, we need you to submit evidence that you forwarded claims directly. Such evidence could be cancelled checks showing NorthShore as the payee, or contracts with TPAs or ASOs showing whether or not the TPA or ASO forwarded the money.

2. Submit Claims Data

In addition, we need for you to submit the claims data which you used to submit your claim. Please include the detail of all services for each period of in-patient hospitalization for each subscriber so that we may verify that the claim is for in-patient services within the scope of the case.

If this letter causes you to determine that some or all of your claim was in fact for services not covered by the case, please submit only data for eligible services and please recompute your claim amount.

Other Important Information

Importantly, the claim instructions provided guidelines for claims, and further required you to certify that your claim met those guidelines. If, in auditing your claim, we find that you have included claims for a substantial amount of services that are not within the scope of the settlement, your Claim may be adjusted or rejected in its entirety.

Please also note that this is a pro rata settlement. Your claim amount is based on your total allowed purchases, but any settlement payment will be a percentage of that. Once your final claim amount has been computed, it will be paid based on its percentage of the total claims received, and the amount of funds available to pay claims.
